

# LOST IN MUSIC

PaTinaGinaBill Thanksgiving 2025 Fern River

What happens when four Gen-Xers retreat to the Santa Cruz mountains to surf, hike, cook, and microdose their way through a righteous, post-Trump fury? You get Lost in Music – a four hour revolt in playlist form of chaotic brilliance, deep-cut classics, multilingual crowd pleasers and half- forgotten gems spanning 1965-2025. A sonic soundtrack built to remind us that art still kicks harder than any authoritarian, and people power still beats fascists on their best day.
